REMARKS

This is a full and timely response to the outstanding non-final Office action of December 21, 2005. The Examiner has required Applicant to elect to prosecute one of two groups of claims identified in the Office Action.

Group I: Claims 1-34, drawn to a method, a computer readable medium and a system for providing information on system vulnerabilities comprising populating a database, obtaining keywords as selecting a database page.

Group II: Claims 35-39, drawn to a system for providing system vulnerability information comprising an input/filter module to receive input from a user's processing device.

In response to the restriction requirement, Applicant respectfully elects to prosecute the claims of Group I, corresponding to claims 1-34 without traverse. Applicant expressly reserves the right to present the non-elected claims, or variants thereof, in continuing applications to be filed subsequent to the present application. Should the Examiner have any questions regarding this response, the Examiner is invited to telephone the undersigned attorney.

Respectfully submitted,

Charles W. Griggers, Reg. No. 47,283
